

FOR RELEASE JULY 18, 2005

Intermec Technologies Corporation to celebrate with strategic supplier

Intermec Technologies Corporation; a division of UNOVA Inc. based in Everett, Washington is recognizing CCS Printing as a valuable strategic partner with a "Supplier Appreciation Day" event on July 22, 2005.

Each year Intermec recognizes partners that help it achieve its strategic and business goals. CCS Printing was chosen for its on-time deliveries, quality, engineering and new product support, stocking programs, flexibility, cost reduction activities and more."

Supplier Appreciation Day will be held at CCS Printing's production facility in Bellevue. The event will be celebrated with a catered lunch and commemorative shirts recognizing the partnership and the efforts CCS Printing's staff makes to provide Intermec with outstanding service.

"We are excited that Intermec has recognized our organization in this way", said Kevin Sullivan, President of CCS Printing. "All of our employees are committed to putting our customers first and we have a passion to exceed their expectations". Intermec develops, manufactures and integrates technologies that identify, track and manage supply chain assets. Core technologies include Intellitag® RFID, mobile computing systems, bar code printers and label media. The company's products and services are used by customers in many industries worldwide to improve the productivity, quality and responsiveness of business operations.

CCS Printing is a full-service printer and management services provider, located in Bellevue, Washington. CCS Printing's services to Intermec include on-site copy/mail center, technical publications printing, kitting, marketing printing and fulfillment.
